Re: Wilbur's Woods Phase II — AHSF Application, Wilbur's Woods, 0 Wilbur's Way

Dear AHSF Committee,

GreenMars Real Estate Services, Inc. respectfully submits this application for Affordable Housing Support Fund assistance for Wilbur's Woods Phase II, an 18-unit affordable rental building to be developed at 0 Wilbur's Way, Brunswick, ME. Wilbur's Woods Phase II will deliver much-needed rental housing that is covenanted for 30 years to preserve long-term affordability: 50% of units will be restricted at no more than 80% AMI and 50% at no more than 100% AMI. The funds will be used to support infrastructure in the project, such as trenching for public utility access and creation of parking.

We are pleased to report that Wilbur's Woods Phase I has been completed and residents have moved in or are moving in, demonstrating market demand, successful delivery of construction, and operational readiness. Our success with Phase I validates our approach to on-site management and resident services.

Greenmars requests **\$193,142.07** from the AHSF to support Phase II's capital stack. Enclosed please find the completed Application Page, Project Narrative, preliminary site plan, evidence of site control, and the Declaration of Covenants. A full sources & uses, pro forma, and construction budget are also attached for your review.

Thank you for your consideration. We look forward to working with the Town to deliver this important affordable housing resource for Brunswick.

Sincerely,

Chris Marshall & Nate Green
GreenMars Real Estate Services, Inc.

Phase II will be a new, two-story, wood-framed residential building sited to preserve common open space and pedestrian connections.
