# **FY25-26 CURTIS LIBRARY BUDGET REQUEST**

Request \$1,915,600

= Increase of \$55,853 versus FY24-25

= 3% increase in Brunswick's support

# ALSO

- This budget does not account for increased costs from the elimination of funding from the Institute of Museum and Library (IMLS) services
- Curtis Library also provides many services which are paid for through the Library's fundraising – about \$700,000 is planned for the 2025-26 fiscal year
