

BRUNSWICK TOWN COMMONS COMMITTEE **NEWSLETTER**

The newsletter will update Brunswick residents with happenings in the Town Commons.

Spring Edition

01

New Bog Bridging

The committee installed approx. 500 linear feet of bog bridging on the northern Boundary Trail in 24/25.

02

Updates on Trail Map

The committee is updating the map of the Brunswick Town Commons. The initial draft of the map should be ready to vote on by September. Anyone can sit-in on a Brunswick Town Commons meeting or talk to a committee member to learn more about the trail map redesign.

03

Winter Commons Work

Members of the committee gathered on Thursday, February 20th to weed out white pine saplings around the American Chestnuts on the trails.

04

Route 123 boundary

The committee removed the split rail fence on route 123 along the boundary in the Brunswick Town Commons. We also created and installed new property markers along route 123 to define the commons boundary.

05

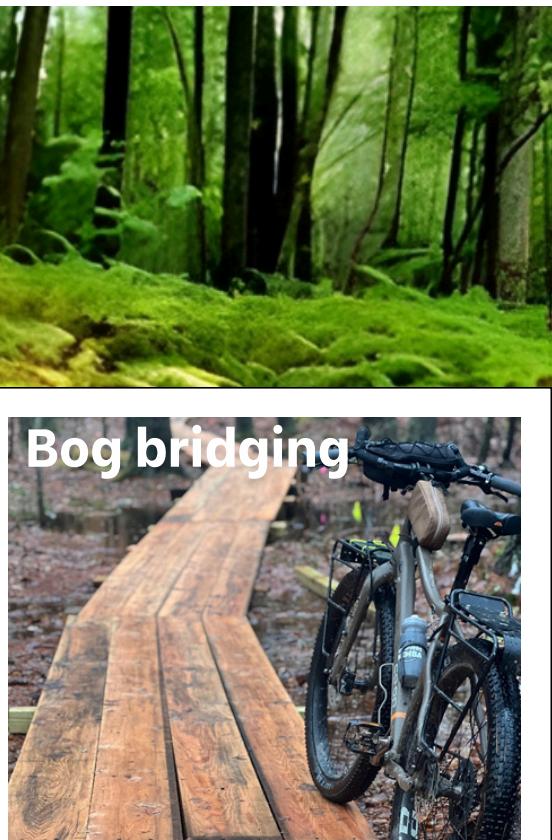

History Trivia!

DID YOU KNOW

The Brunswick Town Commons is 306 years old? The Pejepscot Company granted 1,000 acres as commonage in May of 1719.

Item 3, pine tree clean-up

Bog bridging

Support the Commons

If you want to get involved,

Join the Friends of The Brunswick Town Commons volunteer group, or sign up for a spring clean-up on May 31st 9am-11am!
