

Promoting Downtown Brunswick as a vibrant and attractive place to live, work, play and do business.

February 17, 2022

Chairman James Mason  
Brunswick Town Council  
85 Union Avenue  
Brunswick, ME 04011

Dear Chairman Mason,

On behalf of the Brunswick Downtown Association (BDA) Board of Directors and over 340 business and community members, we respectfully request the renewal of the Town of Brunswick's contribution to the BDA for your fiscal year 2023.

In May 2012 we received the Main Street Maine's designation as a full Main Street community. In March 2012 the Town of Brunswick, through resolution, supported and endorsed BDA's application for Main Street Maine designation.

The BDA operates on a calendar year and our budget for 2022 is \$398,170, which includes the Brunswick Visitor Center. Last year it was agreed that operation of the Visitor Center would be fully funded by the Town of Brunswick, based on the budget provided by BDA. The BDA budget, not including the Visitor Center, is \$338,435 and our request for Town funding is \$95,000 - 28% of program budget.

Last year was a series of ups and downs as we dealt with the on-going pandemic. We continued to be an avid supporter of all local businesses as they maneuvered their way through CDC and local guidelines and restrictions. The BDA consistently stepped up to the plate to provide technical assistance, promotional opportunities, downtown events, and often just a shoulder to lean on, to our local business owners. We received regular input from business owners and residents who truly appreciate all that the BDA has been able to do, despite the challenges of the pandemic.

“Shop Local” has never been more important to the success and viability of our local business community and Brunswick answered the call. Without the tremendous support of the community our downtown simply would not have been able to deal with the challenges that our local business owners have faced over the last 2 years.

Last year the BDA was very fortunate to be able to host many of our longstanding events, all within the guidelines of the CDC. We had record breaking attendance at our Music on the Mall concert series, our Community Barbecue and the Holiday Tree Lighting event. We continued with the on-line only Auction and cancelled our Rolling Slumber Bed Races. The businesses and organizations that typically participated in the bed races were stressed with staff shortages and simply could not be there.

The BDA has never wavered on our mission to promote downtown Brunswick as an attractive place to live, work, play and do business. Even during these challenging times, we

knew that if we worked together as a team, we could not only survive, we would thrive. We are so heartened by the feedback we have received from our businesses who have modified their business models and tried new avenues to keep their businesses healthy. Their success stories are a testament to their hard work and ability to adapt to change.

The BDA was an active participant in the Streetscape Redesign Committee (the Executive Director was a member of the committee) and our former Design Chair sat on the committee as well. We have a seat at the table for many issues facing downtown including parking studies, accessibility, historic preservation, landscaping and design, transportation, issues with the transient and homeless populations, etc.

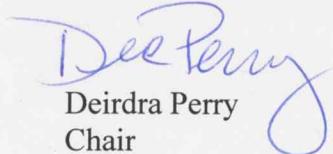

This year marks the 18<sup>th</sup> anniversary of BDA becoming a 501(c)3 non-profit. Since 2004, our membership has grown seven-fold and continues this upward trend. This is largely due to the benefits we provide our membership and the value that businesses, non-profits, and individuals see in our organization.

We have included an attachment highlighting some of our 2021 accomplishments and 2022 initiatives.

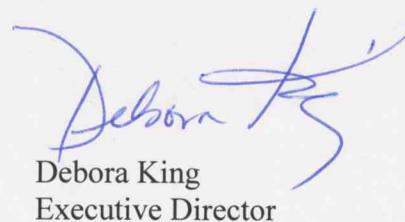

The BDA again is looking forward to a year of positive partnerships with the Town, residents, cultural and non-profit organizations, MRRA, Maine Development Foundation, and Brunswick businesses to maximize all opportunities. The BDA takes seriously its unique position to ensure that all our Downtown assets are promoted, that residents and visitors are attracted to Downtown, and that all means to new job creation and increased tax revenues within our purview are considered.

On behalf of the Board of Directors, we thank the members of the Town Council for their consideration of our FY2022 budget request and welcome any questions that you may have.

Sincerely,

Deirdra Perry  
Chair

Debora King  
Executive Director

## **2021 BDA Accomplishments**

- Membership numbers grew to 341 in 2021, up from 2021 at 330. We lost a few members and we increased the number of new members significantly (51). Our membership hovers around 340 and a concerted effort is being made to encourage the public to sign on as a “Friend of the BDA” for an annual fee of \$45. We slightly exceeded our membership income budget of \$45,000 by \$2,000.
- We were able to host many of our Events this year, given most were held outdoors. Our January Annual Meeting was a virtual event and the Magic on Maine Auction was an on-line event. Our Spring Speaking Event featuring “Boomerangs and Live Work Maine” was held outdoors at Flight Deck Brewing, all of the Music on the Mall concerts (10) and 2<sup>nd</sup> Friday Brunswick Artwalks (4) were held throughout the summer. Our Brunswick Outdoor Arts Festival was held in August with a smaller number of artists who were spread out along Maine Street and The Mall. We held a very successful Community Barbecue on September 11<sup>th</sup> in conjunction with the American Legion Post 20 to commemorate the 20<sup>th</sup> anniversary of 9-11 and to pay tribute to our first responders. We cancelled the Rolling Slumber Bed Races due to the labor shortage being experienced by so many of our past participants. We held on all-day “Early Bird Sale” which was very successful, and one of our most well attended Holiday Tree Lighting Events. At all times we followed the guidelines of the CDC as it related to the pandemic.
- One of our primary goals has always been and continues to be “Shop Local”. Even through some of the most difficult times, some of our local businesses have reported record sales and are looking for additional space. We met with the retailers several times to get their feedback and ideas and they were so appreciative of our efforts to provide assistance and support. The community of Brunswick is overwhelming supportive of our locally owned businesses and have certainly gone that extra mile to ensure those businesses stay healthy.
- Raised almost \$130,000 in sponsorships and leadership donations – a growth of \$25,000 over 2020. We work very hard to secure all of our sponsors very early in the year and are always looking at bringing new sponsors into the fold.
- Relationship with the Town of Brunswick remains very strong. The BDA is represented on: Downtown Streetscape Redesign Committee, the Master Plan Implementation Committee for the Town of Brunswick Comprehensive Plan, replacement of the Frank J Woods bridge. We work closely with the Economic Development, Parks and Recreation, Planning, and Engineering Departments on all issues facing downtown.
- We manage the Visitor Center and are opened with reduced hours 7 days a week.

Downtown Brunswick's

# Tree Lighting Ceremony with Santa

**Tree Lighting with Santa** is the best place to enjoy the sights and sounds of the festive holiday season in beautiful downtown Brunswick! Every year, on the last Saturday in November, hundreds of folks stop by the Town Mall to take a horse drawn wagon ride, have some hot cocoa and homemade cookies, and for the kiddies – a visit with Santa! The Brunswick High School chorus performs lovely Christmas carols and the event is topped off with Santa lighting the Christmas Tree. A wonderful event for the entire community!
