To the Town Council of the Town of Brunswick, Maine:

In accordance with the Charter of the Town of Brunswick, Maine, the proposed General Fund budget for the period July 1, 2023 to June 30, 2024 is presented for your consideration. It combines the municipal services budget, as proposed by the Town Manager, with the education budget, as proposed by the School Board. The County tax levy is added to these to produce a total budget, which becomes the basis for the property tax levy – by far, the largest funding source.

While this budget document contains the total proposed revenues and expenditures for both municipal and school operations, it only includes details for the municipal departments. The School Department's totals are incorporated in this document as requested by the School Board. The details of the school budget are available from the School Department and will be provided to you when it is available.

Annual Operating Budget

Municipal Services Budget

This budget continues to build on the budget priorities reflected in the most recently adopted municipal budgets. It responds to increasing expectations and the demands associated with being a service center community. It sustains the commitment made to infrastructure and facilities maintenance, and it reflects the increasing costs of goods and services.

The major changes in the year over year budget are described below.

Municipal Expenditures

The drivers of the increase in this year's expenditure budget include:

- Personnel – Salaries and benefits continue to comprise the largest portion of the municipal expenditure budget. Funding the salaries and benefits of existing personnel increases the budget by approximately \$1,765,023. This is the direct reflection of the labor market and the increasing cost of attracting and retaining quality personnel. The budget also includes an additional \$577,014 to fund the following new positions:

- IT Technician
- Human Services – Cultural Services Coordinator
- Public Works Central Garage Mechanic
- Parks & Recreation Maintenance position
- Public Works Highway Truck Driver/Operator positions (3)
- Public Works Administrative Assistant (0.5)

- Debt Service – The Maquoit property loan adds \$501,375 in debt service. In December, 2022, the Town issued a taxable general obligation bond for \$4,000,000, payable over 10 years, with level payments, at an interest rate of 4.39%.
- Contractual Increases – This category includes a range of services, and in total adds \$716,293 to the budget. Some of the larger increases are the Library allocation at \$115,968, Refuse and Recycling disposal fees at \$91,577, Professional Services at \$85,452, and Winter Equipment Rental (contracted plowing) at \$83,587.
- Capital Increases – Capital Equipment and Facilities costs in the 2023-24 proposed budget add a total of \$369,375 to the budget. The majority of this, \$235,500 is in the Parks & Recreation divisions, for improvements to parks and the Recreation Center. In Public Safety, the Fire Department and Police Department have proposed an additional \$142,500 for CPR devices, radios, drug analysis equipment and speed trailers.

Municipal Revenues

Property taxes are the largest source of funding for the municipal portion of the budget. This proposed budget assumes a 1.5% valuation increase. Applying last year's tax rate to this "new" value results in an additional \$767,276 in revenue, which can be allocated to the municipal, county, and school budgets.

The two largest municipal non-property tax revenues are vehicle excise tax and state revenue sharing.

- Excise Tax - The budget projects receipts of \$3,700,000, which is the same amount as the current year's budget. While excise tax receipts are on track for this year, we will continue to monitor this trend and adjust our projections if necessary.
- Revenue Sharing. The budget projects an increase of \$795,172 in State Revenue Sharing (SRS) funds. The budget estimate is based on the estimates provided by the State Treasurer's office. Those projections reflect the continuation of 5.0% of state funds being shared with municipalities. They also reflect the State's Revenue Forecasting committee's anticipated growth in state revenues. We believe this forecast is optimistic. We have included it in this budget as we have sufficient funds in a revenue sharing reserve should there be a revenue sharing shortfall.

Education Budget

The budget delivered by the School Board proposes a total budget increase of \$3,487,892, or 7.05%. Due to an increase of \$1,233,896 in anticipated education revenues offset by a decrease in use of balances and other revenues of \$839,085, the budget increase in the property tax requirement is \$3,093,081, or 9.9%. Assuming a 1.5% increase in property valuation, this translates to a 4.79% tax rate increase. The School Department will be making its budget presentation to the Town Council and the details of the education budget will be provided under separate cover.

County Tax

The 2023-24 budget includes an increase in the Cumberland County tax levy of \$177,992, or 10.39%. Of this amount, \$156,447 is related to the County's change from calendar year to fiscal year budgeting. For the additional 6 month period (Jan 2023 – June 2023), Brunswick's assessment is

\$782,237. The Town has made an agreement to pay this assessment over 5 years at \$156,447/year. This budget proposal includes an additional use of general fund balance to offset payment of the first of the 5 years.

Total Annual Operating Budget

Combining the increases in the municipal and school budgets, along with a 10.39% increase in the County tax, results in an increase of \$4,853,200 in the total amount to be raised from property taxes. This would increase the property tax rate by 7.38%. A summary of the budget components and their impact on the property tax levy can be found on pages 4 and 5 of the budget document.

Capital Budget

In accordance with the Town's Fund Balance Policy, the amount of Unassigned General Fund Balance over the target is to be used for capital or one-time expenditures. In the Manager's Proposed Capital Improvement Program (CIP) for 2024-2028 I have proposed that a portion of the Fund Balance be used to fund the following.

- Fire Department Power Load Units - \$182,000 for Stryker units in the four ambulances - to aid in the loading and unloading of the power cots, and to restrict movement of the cot during transport. The working load of the system is 870 pounds, with a maximum patient weight of 700 pounds, and will help to prevent back injuries.
- Stanwood/McKeen Pedestrian Improvements - \$190,000 to construct and pave pedestrian paths to schools from the neighborhoods west of Stanwood St. Includes an upgraded crossing and RRFB on McKeen Street.
- Union Street Curb Reduction - \$100,000 to install a 185-foot long asphalt sidewalk on the west side of Union Street from the Gorham Bike & Ski building to the north side of Station Avenue.
- Jordan Avenue Sidewalk - \$345,000 for construction of a 6-foot wide asphalt sidewalk from Bath Road to Lori Drive. In conjunction with the Bath Road crossing at the end of Jordan Avenue, this, will complete a safe pedestrian/bicycle connection to Brunswick Landing and Cook's Corner.
- Mare Brook Watershed - \$110,000 to fund the required cash match for the federal Nonpoint Source grant to complete Phase I of the Mare Brook Watershed Restoration Project.
- Range Road Culvert Design - \$20,000 to design and permit the replacement of a 60-linear foot, 42-inch diameter reinforced concrete culvert that crosses Range Road about 400 feet in from Pleasant Street. We hope to be able to secure construction grant funding.
- Downtown Restrooms Planning - \$100,000 for feasibility planning and design of a public restroom facility in the downtown area.

In addition, we will be adding a project to the next draft of the CIP, which I will propose be funded from General Fund balance: the replacement of five sections of the Recreation Center roof. Originally, we planned to fund these from the Facilities Reserve. However, we recently bid the project and the low bid was \$420,000, nearly double the estimate that was provided to us nearly a

year ago. Had the estimate been on par with the bid, we would have considered this a stand-alone project and included it as such in the CIP. In the short term, the cost can be covered by the Facilities Reserve, but it will drain the reserve. Consequently, I will be including the project in the next draft of the CIP and requesting that the Council appropriate General Fund balance to finance it.

Tax Increment Financing (TIF) Budget

The TIF budget for 2023-24 provides details for the sources and uses of funds generated in the Town's TIF Districts. The larger uses of the TIF funds include matches for two Maine DOT Municipal Partnership Initiatives (MPI) grants (McKeen Street paving and the Pleasant Street Intersections), repayment of advances from the general fund for the construction of Landing Drive (final payment), and allocations for the Cook's Corner Revitalization projects. In the TIF budget, you will also see funds budgeted to be transferred to the General Fund to support qualifying activities. If the budget for those items is reduced, the transfer from the TIFs would also be reduced, as TIF funds can only be used for qualifying expenditures.

Other Considerations

Finally, we continue to refine our valuation estimate, and may change this at some point in the process. This budget projects a 1.5% increase in taxable valuation. As events unfold, we will need to be prepared to continue making adjustments as the budget progresses towards adoption.

Acknowledgements

Thank you to the department heads and their staffs for their daily contributions to the community and for their cooperation in the development of this budget. Thank you to Julia Henze, Branden Perreault, and Diane Lathrop of the Finance Department for their assistance in preparing this document.

Thank you to the Town Council for its support throughout the year. I look forward to discussing the 2023-24 budget with the you.

Respectfully,

John S. Eldridge

In past years, the maintenance and custodial functions for the Town Hall have been the responsibility of the Parks and Recreation Dept - Buildings & Grounds Division, and the Custodial Services budget line reflected the amount credited to that Division for the services provided. Beginning in 2022-23, due to staffing shortages, the Town contracted for custodial services.

Unemployment Compensation: Funds Brunswick's required unemployment compensation costs. Brunswick is a direct reimbursement employer, funding actual unemployment costs as they come due.

Worker's Compensation: Coverage through the Maine Municipal Association self-insurance pool. Costs are based on amount of compensation, rate for each employee classification, and experience.

Comprehensive General Liability: Funds coverage for general liability exposures. **Property:** This funds coverage of the Town's property.

Electronic Data Processing: Funds coverage for the Town's data processing equipment.

Boiler & Machinery: Funds coverage for boilers located in a variety of Town buildings. **Fine Arts:** Funds coverage for fine art owned by the Town.

Vehicle: Funds liability and property damage coverage for claims relating to the ownership and operation of vehicles.

Mobile Equipment and Inland Marine: Funds coverage generally for large construction equipment.

Public Officials Liability: Funds coverage for protection against charges of improper performance of duties.

Ambulance Malpractice: Funds coverage of the Town's emergency medical services.

Police Professional Liability: Funds coverage to the Police Department and its employees for claims such as for false arrest and excessive force.

Crime Coverage: Funds coverage for risks resulting from improper handling of Town funds by its employees.

Library Insurance: Funds a separate policy covering liability, property and operations for the Curtis Memorial Library.

Employee benefits are distributed to the various departments where the salaries and wages are budgeted. The total amount distributed is indicated above. See the department budgets for distribution detail. A description of the benefits follows.

Social Security and Medicare: Brunswick extended Social Security benefits to eligible municipal employees in 1959. Full-time police and firefighters were excluded. In 1963 the Town extended coverage to police officers; full-time firefighters are still not covered. This appropriation funds the employer contribution which is split into two categories with 6.2% to Social Security and 1.45% to Medicare. Full-time firefighters have Medicare coverage only. All other employees have both for a total contribution of 7.65% of covered payroll.

Maine Public Employees Retirement System: Brunswick joined the Maine Public Employees Retirement System (MainePERS) as a participating district on July 1, 1950. In 1995 the Town joined the Consolidated Participating Local District (PLD) plan. Firefighters and Police have special plan provisions that allow them to retire after 20 or 25 years of service, regardless of age. The Town's contribution rates to MainePERS are established annually by an actuarial analysis. In 2023-24, the employer contribution rate for firefighters is 12.8% and 14.8% for police officers. For all other employees the rate is 10.2%.

Health Benefit: Includes funding for both health insurance and health insurance buy-back. Health insurance is provided through the Maine Municipal Employees Health Trust (MMEHT), and prior to 2022-23 the Town paid 85% of the premium while employees paid 15%. The Town is transitioning to an 80%/20% split, and the 2023-24 budget includes this adjustment for salaried and AFSCME employees. The budget reflects an estimated rate increase of 10% for January 1, 2024. Buy-back is a cash payment for those who elect not to take health insurance. Beginning with the 2013-14 budget, the health benefit is charged to departments on a per employee basis. The rate per eligible employee for 2023-24 is \$19,000, which represents a blended rate of all coverage options.

Life Insurance: Brunswick adopted the MainePERS Life Insurance Program in 1956 for the benefit of employees wishing to participate. At present, the Town pays only the cost of insurance for certain retired municipal and school employees. The contribution rate is determined annually on an actuarial basis.

Medical/Dependent Care: The Town offers employees the opportunity to participate in medical reimbursement and dependent care reimbursement programs. This represents administrative and other Town costs associated with these programs.

Deferred Compensation: The Town matches up to 6% for employees who contribute to the 457 Deferred Compensation Plan and who are not enrolled in the Maine Public Employees Retirement System (MainePERS).

FIRE DEPARTMENT

The Fire Department maintains two fire stations and provides 24-hour service with four shifts of ten firefighters.

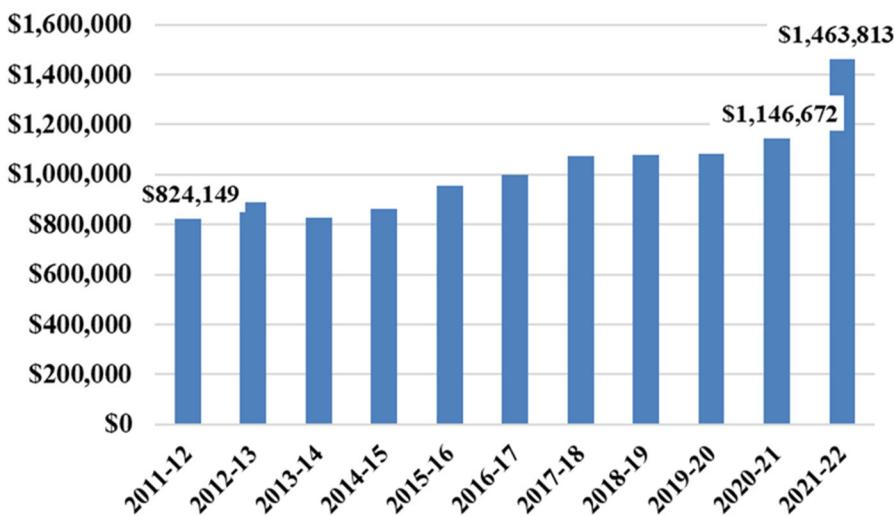

The new Central Fire Station on Pleasant Street opened in December 2022, replacing the 103 year-old Central Station on Maine Street.

- ◆ Fire Protection
- ◆ Emergency Medical Services (Ambulance)
- ◆ Hazardous materials response
- ◆ High angle rescue
- ◆ Confined space rescue
- ◆ Ice and water rescue
- ◆ Fire inspections
- ◆ Fire prevention
- ◆ Fire investigation
- ◆ Emergency Management

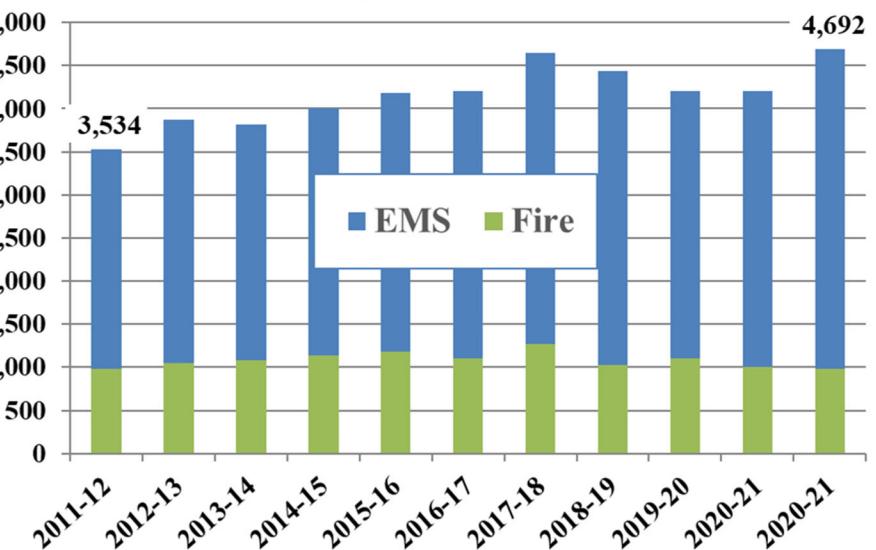

The Fire Chief serves as the Town's Emergency Management Director, and liaison to the greater medical community. All of the firefighters have, at a minimum, Emergency Medical Technician licenses. A Deputy Fire Chief serves as the Fire Prevention Officer and Health Officer for the Town.

In addition to responding to fire calls, the Fire Department handles emergency medical calls. All of the Firefighters are required to maintain an Emergency Medical Technician License. Fourteen firefighters are licensed at the Advanced level allowing them to use the defibrillator, administering IV therapy, performing advanced airway procedures, and administering a limited number of medications. The Department has twenty-two Paramedics who are able to perform all of the above along with the administration of certain lifesaving medications and other advanced skills.

The new Central Fire Station on Pleasant Street was put in service in December 2022, replacing the 103 year-old Central Station on Maine Street. Beginning with the 2022-23 budget, these buildings appear as separate sections, and in 2023-24 the old Central Station budget reflects only basic costs to maintain minimal heat and fire protection. The Town has conducted a conditions study of the building, and is exploring options to sell and/or re-develop the property.

Activities include the removal of snow and ice and the spreading of sand and salt on public streets, sidewalks and parking areas. Costs may vary considerably from year to year depending on winter conditions. Expenditures in the Overtime account depend on the number and timing of storm events during the winter. Rental of Winter Equipment is to hire outside contractors for the East Brunswick/Jordan Avenue contract, the Meadowbrook/Parkview/Greenwood contract and to haul snow. The Town has twenty total snowplowing routes; it hires contractors for seven.

This appropriation covers aid to persons in Brunswick who are in need of financial relief, and the administrative expenses of the Town related to welfare, general assistance and human services. Brunswick handles each case with an active referral system and a workfare program, the combination of which results in significantly lower costs for the municipality and higher levels of assistance for the clients.

The new Cultural Services Coordinator position is to provide a coordinated community response to housing and basic human needs in the immigrant community. It is hoped that this will be funded through a two-year grant from the Maine State Housing Authority passed through the Immigrant Resource Center of Maine.

The Health Officer is responsible under Maine Statutes for the reporting, prevention and suppression of disease and all conditions dangerous to health. The Deputy Fire Chief serves as Health Officer and the salary budgeted here is in addition to his salary as Deputy Fire Chief. He investigates health related complaints and inspects premises of victualer's license applicants.

Prior to 2023-24, Human Services was accounted for in two sections: General Assistance and Health and Social Services. Beginning in 2023-24, recognizing the expansion of services over the past several years, these have been combined into one Human Services Department.

The School Department budget does not include payments made by the State of Maine to the Maine Public Employees Retirement System for retirement and other benefits on behalf of employees enrolled in the MainePERS Teacher Plan. For the year ended June 30, 2022 those payments amounted to \$3,677,010.

The School Department budget includes debt service payments for the 2020 Elementary School Bond, the 2011 Elementary School Bond, the School Revolving Renovation Fund debt, and the BHS Boiler in the 2017 Bond. For the year ended June 30, 2022 those payments were \$3,049,567.

State Aid to Education revenue included \$1,215,295 as an 87% subsidy of the debt service on the Elementary School Bond.

An additional \$125,000 was transferred to a nonmajor special revenue fund to account for the Town's annual subsidy to the school cafeteria fund.

Certain expenditures related to the School Department are reported differently in the School Department's budget and the Town's comprehensive annual financial report (ACFR). The following reconciliation is provided to explain the differences in these documents

<u>Reconciliation:</u>	<u>2021-22 CAFR</u>

Recreation Facilities added 2001 to 2022

The Recreation Center closed on March 16, 2020, and re-opened, with restrictions, in four phases through the summer and fall.

While most of the Town's recreation programs (funded primarily through fees, and not through the general fund budget) were suspended in 2020, only resuming in the summer of 2021, the Town's public parks and outdoor facilities saw significantly increased activity during this period.

From January to June of 2021, the Recreation Center was closed to accommodate the Mid Coast Hospital vaccination clinic, which administered 56,466 vaccines.

Recreation Administration oversees the Recreation Building and the Buildings & Grounds division, and manages the Recreation Programs. The majority of the Recreation Programs are accounted for in Special Revenue funds, where fees collected are put to the direct costs of the individual programs. The Program Assistant oversees these programs, and a portion of that salary is paid through program fees.

The Curtis Memorial Library is managed by the Brunswick Public Library Association, a private association founded in 1883. The building that houses the library is owned by the Town of Brunswick. The amount budgeted here is the Town of Brunswick's contribution to the Association for its operations. The Town also provides funding through its insurance budget to insure the building, its contents and the library's overall operations.

The Capital Budget is developed through the Capital Improvement Program ("CIP").

Article VI, Section 601 of the Town's Charter requires that the Town Manager prepare and submit a five-year CIP at the same time as the annual budget is submitted. The Town's current CIP policy, procedures and format were adopted by the Council in February 2013, and updated in December 2018. The annual CIP is now developed in the fall each year, and finalized in early spring for submittal to the Council. The policy establishes the content and format of the Town's capital improvement planning and provides guidelines for funding methods.

The CIP includes a list of all capital improvements proposed over the next five fiscal years, methods of financing, time schedules and annual cost to support the proposed program. The CIP is a plan; it does not fund any projects. Project funding can be authorized in a variety of formats, all of which involve a separate action by the Town Council.

The Capital Budget is included within the annual General Fund Budget, and lists the items in the first year of the CIP which are proposed to be funded through Unassigned General Fund Balance, Reserves and Other Sources, and from Municipal Revenues, or property taxes. Approval of Capital Budget items occurs with separate funding resolutions concurrent with the adoption of the Town's General Fund Budget.

Estimated Annual Tax Shift Benefit

Total sheltered value	146,316,633	146,316,633	50,133,429	196,450,062	196,450,062	196,450,062	196,450,062
State Aid to Education		932,892			1,093,524		1,458,115
Revenue Sharing		258,493			439,967		559,268
County Tax		96,263			130,895		119,885
		1,287,648			1,664,386		2,137,268

Estimated Annual Tax Shift Benefit represents the increase in State subsidy amounts received and the reduction in County tax resulting from 'sheltering' the TIF districts' increased valuation from the state valuation and the calculations of the aid formulas. If the incremental values were included in the Town's state valuation, the Town would experience a reduction in State subsidies and an increase in the County tax.

Notes: This statement is produced using generally accepted accounting principals (GAAP Basis). To reconcile the GAAP basis to the basis used for budget purposes (Budget Basis), it is necessary to subtract from the GAAP basis the amount the State of Maine contributes to the Maine Public Employees Retirement System (MEPERS) for employees enrolled in the MEPERS Teacher Retirement Plan. The amounts to be subtracted from both GAAP revenues and GAAP expenditures for the fiscal years ended June 30, 2022, 2021, 2020, 2019, and 2018 are \$3,677,010, \$3,687,452, \$3,592,142, \$2,821,269, and \$2,507,000 respectively.

To provide for unforeseen circumstances and maintain liquidity, the Town has adopted a fund balance policy. Prior to FY2010, the policy targeted the unassigned General Fund balance at 9.5% of revenues. Beginning in FY2010, the policy targets the unassigned General Fund balance at 16.67% of revenues. In accordance with the fund balance policy, when the balance falls below the target, the Town will develop a plan, implemented through the annual budgetary process, to bring the balance to the target level over a period of no more than three years.
