For Office Use Only)

**Application Number:**

Date Rec'd: \_\_\_\_\_

### Storm Drain Connection Permit Application

To be completed by property owner or hired contractor intending to connect a drain pipe(s) to the storm drain system owned and maintained by the Town of Brunswick.

1. **\$50.00 fee** (non-refundable) covers before and after inspections and administrative processing
2. Before backfilling call Public Works for final inspection of connection to town system. (7-3 PM Mon. – Fri. )
3. Connections done after hours (7-3 PM Mon. – Fri.) must have photos available. E-mail photos to: **publicworks@brunswickme.org**
4. For any private drain connection serving a building with below grade space then a backflow preventer valve is required. Indicate compliance below that one will be provided and submit a plan on where it will be located along with the make and model of the valve to be used.
