
You could see the shadows of the fern leaves, as they flickered and wavered over the ground...round the roots of the trees – HARRIET BEECHER STOWE, 1867

FRIENDS OF THE BRUNSWICK TOWN COMMONS

Friends of the Brunswick Town Commons (FBTC) is a volunteer working group that supports the Town Commons Committee with stewardship of the Brunswick Town Commons. FBTC supports the Commons with a variety of project-based volunteer work in different seasons. Opportunities may include Town Commons clean-up days, invasives species management and removal, helping to lead nature walks, conducting plant and wildlife inventories, and trail maintenance.

The Brunswick Town Commons is one of the most popular and historic public open spaces in our town.

Are you interested in becoming a Friend of the Brunswick Town Commons? There is no cost. By filling out the information below, you will occasionally receive notice about volunteer opportunities as they become available throughout the year.
