The above applicant hereby requests permission from the Town of Brunswick to obstruct/encumber the area as described above for the purpose of facilitating construction or maintenance activities only. In connection with this request, the applicant agrees to the following:

1. It shall be the responsibility of the applicant to secure the perimeter of the encumbered area as may be necessary for pedestrian and vehicular safety. Applicant shall be responsible for installing and maintaining signage, jersey barriers, fencing, barricades and the like as deemed necessary by the applicant or the Town. Pedestrian access shall meet the requirements of the Americans with Disabilities Act. (**NOTE:** If sidewalk or street is being asked to be blocked, contact the Engineering Dept. at 725-6100, to schedule an onsite meeting.)
2. It shall be the responsibility of the applicant that all work is carried out during normal weekday only construction hours. No work shall start before 7:00 AM and all work shall end by 6:00 PM. Included in these hour limits, are the setting up or dismantling of staging or equipment that would cause noise. Starting of support equipment engines is also included in these restrictions. The town reserves the right to further limit hours of operation as special conditions may dictate.
3. It shall be the responsibility of the applicant to insure that no equipment is stored at the location of the encumbrance between 5:00 p.m. on Friday and 7:00 a.m. on Monday or as further directed by the Codes Enforcement Officer, Engineering Dept. or Police Chief or his/her designees.
4. It shall be the responsibility of the applicant to insure that no materials are stored at the location of the encumbrance between the close of daily construction work and the next day that construction work begins.
5. It shall be the responsibility of the applicant to insure that any construction materials in the encumbrance location are only those needed on an immediate and ongoing basis for construction or maintenance, and also insure that the materials do not pose a danger or nuisance.
6. It shall be the responsibility of the applicant to insure that the location of the encumbrance is maintained in a neat and orderly fashion.
7. It shall be the responsibility of the applicant to take reasonable steps to remedy any damage to municipal property caused by the applicant's activities as directed by the Codes Enforcement Officer, Engineering Dept. or the Police Chief. The town may elect to accept reasonable reimbursement from the applicant in lieu of remedy.
8. The applicant agrees to procure insurance of the type and in a form satisfactory to the Town Attorney, which, at a minimum, provides the Town as named insured with One Million (\$1,000,000) Dollars (per occurrence) in liability coverage for any liability potentially arising out of the encumbrance permitted by this agreement. An appropriate certificate of such insurance shall be affixed to this application. The following should be stated in the "Description of Operations/Locations/Vehicles" section of the insurance certificate: Town of Brunswick is named an additional insured for work at 123 Sample Street.
9. The application shall be submitted in complete and acceptable form no later than five (5) days prior to the encumbrance. No encumbrance of the public street or sidewalk shall occur prior to the written approval of this application.
10. The applicant agrees to provide copies of the completed and approved application to properties that may be impacted by the encumbrance as directed by the Codes Enforcement Officer, Engineer, or Police Chief.
